INSTRUCTIONS:

List options on left.

Compare options in pairs, following pattern above, and marking votes in first Totals column.

Cross out patterns as you go.

Add up numeric totals to check - see table below.

Note this can be done as a group using the same method.

Check _____

N	2	3	4	5	6	7	8	9	10	11	12	13	14
Check	1	3	6	10	15	21	28	36	45	55	66	78	91
